Major Components Covered For New and Used Vehicles

BaseCARE Is Major Service Contract Protection Offered by Ford Motor Company

It's like having a quality, basic health plan for your vehicle. It covers the parts and labor to repair 84 key components in nine major vehicle systems – engine, transmission, steering, brakes, front suspension, electrical and more – **for up to 7 years or 125,000 miles.**

Your vehicle is factory-equipped with systems that impact driveability and performance. **With Ford ESP BaseCARE, it's covered.**

Why Ford Extended Service Plan (ESP) BaseCARE Is a Great Value ...

The price for parts and labor to repair many major components can be very significant. One repair bill can easily exceed the price of your Ford ESP coverage. It's clear that this coverage can quickly pay for itself!

Estimated expenses for a variety of repairs are listed above and should only be used as an example. Actual costs will vary by vehicle, repair and dealer location.
